

SidePanel::hookDataModel

```
graph LR; A[SidePanel::hookDataModel] --> B[DataModel::setGuiPosition Label];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'SidePanel::hookDataModel'. The right box is gray with a black border and contains the text 'DataModel::setGuiPosition' on the top line and 'Label' on the bottom line. A blue arrow points from the right side of the left box to the left side of the right box.
