

RouteInterface::RouteInterface

```
graph LR; A[RouteInterface::RouteInterface] --> B[RouteInterface::toggle]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'RouteInterface::RouteInterface'. The right box is light gray with a black border and contains the text 'RouteInterface::toggle'. A blue arrow points from the right side of the left box to the left side of the right box.

RouteInterface::toggle
